Phase 8: Stakeholder Communication Plan

Clinical, Academic & Technical Stakeholder Engagement Strategy

1. Communication Matrix

Stakeholder Group	Communication Channel	Frequency	Key Informational Content
College Evaluation Board	Formal Project Report & Live Demo	Final Milestone	Methodology, anomaly documentation, test results, and Tableau story
Primary Care Physicians	Clinical Web Portal & Risk Calculator	Daily / Clinical Intake	Patient-level risk score, biomarker alerts, and care tier guidance
Healthcare Administrators	Tableau Executive Dashboards	Monthly / Quarterly	Cohort disease prevalence, multi-morbidity trends, and prevention ROI
